

While the impact of time and living is unavoidable, wearing the results isn't. Dermal Laser Centre has the technology, the expertise, and the experience to maintain or restore a youthful, fresh, and healthy appearance.

For over 10 years, Dermal Laser has delivered the very best results and personalized service in a warm, welcoming and relaxing environment. The physicians and technicians in the four greater Vancouver locations know the best combination of treatments to have you looking and feeling your best. From wrinkles and fine lines, sun damage, loose or sagging skin, and Rosacea, to just a diminishing of the skin's dynamic, vibrant quality, therapies include BOTOX®, Juvederm, Restylane, Perlane, and RADIESSE®. Skin rejuvenation treatments include FotoFacial RF™ and skin tightening and exfoliation treatments such as Microdermabrasion and Glycolic Peels. Employed individually or in combination, these treatments work wonders without the need for surgery.

"The most exciting and satisfying aspect," says Dr. Daniel Y. Fung, "is mixing artistry and science to achieve each client's personal goals: understanding the needs, visualizing the changes and executing them safely and consistently." In a free consultation, Dr. Fung will explain the benefits of each treatment and answer all your questions, enabling you to confidently choose appropriate therapies with clear and realistic expectations of the outcomes. To make you look and feel your best, Dermal Laser Centre can diminish your imperfections while naturally enhancing your natural beauty and subtly emphasizing certain features. Start with a consultation to discover your personal possibilities.
